FROM THE PRESIDENT:

Happy New Year! It's that time of year to reflect on the past and look forward to the future. The past year allowed for me to meet with old friends, discover new carving techniques, and add several "Moore" roughouts to my collection of things to carve. The future will allow me to meet some of you and hopefully get to know you better. I am hopeful there will be more carving time, and know there will be several new tools purchased for my growing collection.

The past had regrets at the club. I would like to take the time here to apologize to all of you for a past newsletter. Things were printed in that newsletter that, from a professional perspective, should never have been sent to print. I want to apologize on behalf of the MAWA board to David Babb and to Denny and Breta Jackson. David was a fantastic instructor this past year at Doane, as all his evaluations can attest. The Doane committee has extended an offer to David to instruct again this year, to which David has declined. We look forward to inviting David back for our 2012 Doane experience. As for Denny and Breta, the words printed were inaccurate. As most of you know, Denny and Breta have gone above and beyond prompting the art of woodcarving. Through attending seminars to teaching new carvers, they are bringing new and creative fresh ideas to our club. I look forward to working with all three of these individuals in the future and hope that will accept our sincere apologies.

The past for the club was a time to say goodbye to several talented board members. I really appreciate all they have done for the club, and the many hours of dedication they gave. The future for the club allows for several new board members. The annual election was held December 4, and I would like to congratulate and welcome the new

members. Congratulations to Marty Dolphens, Cathy Cuka, George Bledsoe, and Jim Schober for being elected to the board. I look forward to working with each of you, and even more so, look forward to your ideas for this great club. If you get a chance to see these new board members, please congratulate them, and provide your ideas for the club, remember, they are your voices.

The Doane committee is hard at work scheduling the classes and the teachers have all been confirmed. Start looking forward to getting that February newsletter. Remember to read through all the class descriptions carefully and send in your choices quickly to ensure your first choice. It was previously announced that we would not be offering "one a day" classes this year. That information was incorrect. We have an exciting line-up for our one a days this year so watch for more information in the next newsletter.

As in the past, I wish all of you happy carving, and I look forward to seeing your projects in the future.

Rohn Collins
